2013 Falcone Festival Competition

Tuba Artist Preliminary Round

Suggested Correction to the printed part:

1. In the second movement, on page 3 of the tuba solo part, there is one note that appears to be printed incorrectly. The measure in question is the 53rd measure of the movement, located as the first measure of the second system from the bottom of the page. The fourth note (half note) should be an E, not a G.

Preliminary round adjudicators are aware of this issue, and entrants will not be penalized for their choice of note at this measure.
